To Whom it May Concern:

Re: Castaway Developments Inc.- Home Rentals

Our company, Alternative Forest Operations, has been renting homes from Castaway Developments Inc. since 2011.

Their homes are all fully furnished, clean and welcoming: a home away from home! All the necessities including washer, dryer and a 'dryroom' are included plus extras.

Our crews enjoy knowing they only have to pack their clothes and gear for their shift(s).

Castaway Developments Inc are a pleasure to deal with. Detailed inventory lists, house cleaning, yard maintenance and curb pick up are provided. Ken is very efficient in ensuring everything is counted for and ready upon arrival and departure.

They go beyond expectations, you will be very pleased and satisfied with your stay!

Sincerely,
