SUBJECT: 637 Dogwood Drive, Gold River

To whom it may concern,

Archie Johnstone Plumbing & Heating Ltd. has rented this residence for our crews while working on a project in Gold River. Ken and Carol were amazing landlords and were on top of everything throughout our 2 years as tenants. Our crew was extremely happy with the residence and Ken and Carol ensured that the house was in tip top shape throughout our stay.

We highly recommend Ken and Carol for anyone looking to rent one of their properties, they are kept in excellent condition and the customer service is top notch.

Sincerely,

Robert Davidson,

ARCHIE JOHNSTONE PLUMBING & HEATING LTD.
