Hi Ken and Carol,

We wanted to drop you a line and provide some feedback and a big thank you for accommodating our vacation rental earlier this month at 231 Ucona Court in Gold River, as we had such a great time over this two week period!

Please feel free to share our review and feedback on our rental for 231 Ucona Court over two week on your website.

This house as recommended has suited our family perfectly, including all the required road access and clearances for my fishing boat, which you took the time and care to provide some assistance on making sure all dimensions suited my rig, not a small task! The property at 231 Ucona Court was well kept and in good order, exactly (or better) than what you had described to me, and we feel it fully met all conditions listed in the contract.

Ken, our entire family was very happy to stay at 231 Ucona and look forward to returning for another holiday in the future.

Ken, you are so very well organized, including making sure all the final inventory and detailed accounting at the end of the rental period is well documented, and completed in due time. We would definitely recommend your services and the property at 231 Ucona Court in Gold River, BC.

Thanks

Alex and Adriana Pimentel
