Re: Gold River rental houses

We operate in the Gold River area on a seasonal basis and have rented accommodations from Castaway Developments Inc for about 16 months. Ken Selezinka has been very attentive to the needs of our crews. We really appreciate all the attention to details and personal touches to ensure they are comfortable.

Each of the furnished houses we have rented has been exceptionally clean and well maintained; housekeeping and yard work included. They all have internet and phone set up, so it was very easy for us to unpack and go to work. I highly recommend Ken and Castaway Developments for exceptional accommodations in Gold River.

Sincerely,
