We work in the tourism industry, and offer an experience that demands a high level of professionalism and service, both with our fishing resort (Nootka Wilderness Lodge) and our outfitting business.

We have been using the furnished rental home at 641 Dogwood Drive from Ken Selezinka for the past several years, and have found his rental homes and the service he provides to be second to none. We have also worked with Ken in providing menu planning, meal preparation, and daily housekeeping for our guests. He is prompt and professional in every aspect of his business, and has enabled us to offer the kind of service that we require to have happy, satisfied clients.

Sincerely,

Dave & Irene Fyfe
