

# Village of Gold River

To whom it may concern:

The Village of Gold River is located 89 kms west of Campbell River connected by a well maintained paved Highway. With its recreation center (swimming pool, hot tub, sauna and fitness rooms), a nine hole challenging golf course and the great sports fishing makes our community a great place to visit. There is an abundance of rentals in town and Castaway Developments has three, five bedroom and one, four bedroom tastefully furnished homes for rent. I have personally rented one of their homes for my family when they visit and was very impressed with the accommodation and service. I highly recommend Castaway Developments.
