Re: Gold River House Rental

Dear Ken,

I am writing to let you know that we really appreciated the opportunity to stay in your rental house in Gold River. The house was clean, (above and beyond) well equipped and comfortable for our crew's stay while we worked out of town. Weekly cleaning service for the crew was always efficient and much appreciated. The Christmas tree that was set up during our stay over the holidays was also a pleasant surprise. It's little things like that that make this house a home away from home. We will make sure to call you for our next stay!

Sincerely,
Chad & Lisa Gosling
